

Lord We Have So Much To Be Thankful For  
Words and Music By: Ed Newman

Lord we have so much to be thankful for  
Yes we do  
O Lord we have so much to be thankful for  
And I thank You

For a roof over our head, for each night we're safe in bed  
And For each day that we are fed and clothed and warm,  
O Lord we have so much to be thankful for  
And I thank You

Lord we have so much to praise You for  
Yes we do  
O Lord we have so much to praise You for  
And I praise You

For family, church and friends, for forgiveness from our sins  
And For each day we can depend upon Your love  
O Lord we have so much to praise You for  
And I praise You

Bridge

For Your death upon the cross, for the blood that paid the cost  
For Your love when we were lost and gone astray  
For the new life in Christ, for ever-lasting life  
And for Your Word that sheds the light to guide our way.

O Lord we have so much to be thankful for  
and I thank You.  
Yes I thank You, I praise You, I thank You!
