

Praise The Lord For His Blessings To You
Words and Music By: Ed Newman

Praise the Lord for His blessings to you
Praise the Lord for your trials too.
Rejoice evermore, praying without ceasing
And in everything give thanks its God's will for you.

Chorus

So I'll praise christ today, finding time just to say
Thanks for helping me each day, as I go along my way
And if trials get me down, i know where help can be found
And I now where love does abound. my hope is in the lord!

If you're wondering what god's plan is
And if you wonder what your supposed to do
Just trust in the Lord and not your own understanding
In all acknowledge him, and He will guide you through

Now we all want things when we want them
We don't want to wait for just an hour or a week
But Jesus said don't fret nor be anxious for them
But first His righteousness and wisdom you must seek.
