

If You Want To Be Happy

Key - D

Words and Music By: Ed Newman, Janet Newman, Bill Newman and Ellyn, Eddie, Billy, and Johnny Newman

If you want to be happy, If you want to be glad
Don't wanna be grumpy, Don't wanna be sad
Then ask Jesus in your life
And put your trust in Christ
Then you'll be happy, Then you'll be glad

Don't want to be angry, (UN UNH) Don't want to be mad (NO WAY!)
Don't want to be bitter (NOT NOW!), Don't want to be bad (I SAY!)
Ask Jesus in your life
And put your trust in Christ
Then you'll be happy, (ALL DAY!) then you'll be glad (OK)

Ask Jesus in Your life (Ask Jesus in your life)
Put your trust in Christ, (Put your trust in Christ)
Read the Bible every day (Read the Bible every day)
Then stop all your sinning and the Lord will keep you grinning
As you Love Him and Obey.

Gonna tell everybody,(THAT'S ME) Gonna tell my friends (THAT'S YOU!)
About the Lord Jesus(THAT'S HIM!) who is coming again. (THAT'S TRUE!)
Cause Jesus died for me
And He Set my spirit free
Now I'm happy,(PRAISE GOD!) Now I'm glad. (AMEN!)

Instrumental (chorus)

Yes Jesus died for me
And He Set my spirit free
Now I'm happy,(PRAISE GOD!) Now I'm glad. (AMEN!)

Now I stopped my sinning and the Lord got me grinning
As I love Him and obey! WHEW!
