

Intro: D A D A GC D A D
Jesus, Savior, Lord and King
Ruler, Creator of everything
Teacher, Healer God and friend,
Lamb of God, crucified, and rose again.

Chorus

All of our faith and our trust and praise
We owe to You for the life You gave
Spread Your Good News each and every day
Live our lives, to Glorify, and bring You Praise.

You came down from heaven above
Lived and died to show us love
By Your death we've been set free
By Your grace, our sins erased, in victory

Chorus

All of our faith and our trust and praise

Spread Your Good News each and every day
Live our lives, to Glorify, and bring You Praise.
