

Help Me To Be More Like Thee
Words and Music By: Ed Newman

O Lord I'm human, I have failings and temptations daily by the score
So undeserving, All the love You've shown for me though I've failed You so many times before

Chorus

Help me to be more like Thee
And to share the love that You've shown me
To my fellow man
So that they'll see Christ in me, and they'll realize the need in their lives
And accept You while they can

Though I'm unfaithful, You're a constant rock of shelter and a resting place
Though I'm disgraceful, You're a river running rapid with redeeming grace

Chorus 2x
