

What Are You Doing With Your Life
Words and Music By: Ed Newman

What are you doing with your life?
What are you doing with your life?
One way leads to death the other to eternal life, Tell me,
What are you doing with your life?

And what are you doing with your time?
What are you doing with your time?
You can waste it all on fun, but suddenly the judgment comes. Tell me,
What are you doing with your time?

Chorus

Well You can take the easy way now and pay later with your life
The choice is yours which one you gonna take
Take up the cross, it's gonna cost but the dividends are outta sight
So, make up your mind before you find it's too late.

What are you doing with your life?
What are you doing with your life?
One way leads to death the other to eternal life, Tell me,
What are you doing with your life?

Chorus

You've got many ways to go, many choices you will make
But only one choice that really counts
Cause when it's all said and done and your time on earth is through
And you stand before the Lord and give account (and God will say)

What have you done with your life?
What have you with your time?
If you haven't accepted Christ you've missed out on eternal life. So tell me,
What have you done with your life?

What are you doing with your life?
What are you doing with your Time
Cause one way leads to death the other to eternal life, So tell me,
What are you doing with your...
What are you doing with your... What are you doing with your life
