

Rivers Bend

Words and Music By: Ed Newman

D A Bm F#s F#
Sitting on the porch listening to the sounds of the river
C G As A
The Creatures lift their voice, in songs of joy and praise
D A7 Bm F#s F#
The bullfrogs croak the bass; The crickets chirp the sounds of the tenors
C G As A7
Wind whispers through the pines, While birds sing through the day
D G As A
Here on Rivers Bend, And I just praise the Lord.

D A Bm F#s F#
I've been thinking 'bout my wife and all the years we've shared together
C G As A
She's the love of my life, a blessing from the Lord
D A7 Bm F#s F#
She's loving day and night and unselfishly she gives to our children.
C G As A7
Always teaching wrong from right, her loves made us secure
D G As A
Here on Rivers Bend, and I just praise the Lord.

F C
And I just want to thank you Lord
Bb Adim Dm
For all You've done for me.
Ab Bdim C G C - G
But mostly for the gift of life for all eternity.
F C Bb Adim Dm
You sacrificed Your only Son God on the cross for me.
Ab Bdim C G As A
And forgiven all my sins and made me whole and free!

D A Bm Fs F
Thinking 'bout my life and all the things God's done for my family
C G As A
Through hard times and in strife God's been by our side
D A Bm F#s F
He's given now to me desires of my heart so richly
C G As A
And I know it's undeserved and I just wonder why.
D G As A
Here on Rivers Bend, and I just praise the Lord.
