

Loving You More

Words and Music By: Ed Newman

Loving you more, loving you more
I'm loving you more with every day
Feeling secure, knowing I sure
That you are right for me, I'm loving you more

Chorus

You are the answer to my prayers,
The love of Christ we share
Submitting to the lord we'll be
Growing as a family

Loving is patient, love's being kind
It's not being jealous but having a humble mind
Loving is not easily angered or rough
Nor remembering wrongs that were done but love delights in the truth

Chorus

You are the answer to my prayers,
The love of Christ we share
Submitting to the lord we'll be
Growing as a family

Loving you more, loving you more
I'm loving you more with every day
Feeling secure, knowing I sure
That you are right for me, I'm loving you more
Still Loving You more
