

Storing Up Treasures in Heaven
Words and Music By: Ed Newman

Verse

I know that no temptation has ever overtaken me not common to man
And God is faithful to allow what I'm able to withstand
But with the temptation will provide the situation that I might escape
So it's my obligation to search out the situation
And remember His sufficient grace

Chorus

Praise God I'm storing up treasures in heaven.
In a place where neither moth nor rust can destroy
Praise God I'm storing up treasures in heaven.
Cause where my treasure is you know my heart will find joy.

Lord let my treasure be You
Lord help me focus on You
Let me always follow You and put you first in all I do
Oh Lord let my treasure be You

Oh Lord let my treasure be You
