

Walking With Jesus
Words and Music By: Ed Newman

I am worshipping Jesus, I'm Cherishing Jesus,
As I live for Him day after day
He is never far from me, whether is Sunday or Monday
He keeps me from going astray

Chorus

I am walking with Jesus; I'm talking with Jesus
I am walking with Jesus my Lord
He is always beside me, to love and to guide me
My life at last is secure

If you want to live for Jesus, then you must give to Jesus
Your heart your soul and your mind
And have fellowship daily, and faith without failing
Then true peace in your heart you will find.

CHORUS
