

# Nothing I Desire

Words and Music By: Ed Newman

Lord Jesus, I need You.  
To help me, and guide me, in all that I do.  
Though times I'm unloving, Yet You always love me.  
Lord Jesus, I owe all my life to Thee.

Lord Jesus, I know You're all I need, Ah but  
Lord Jesus it's so easy to get caught up in me  
At times I so tempted by those things that are vain  
Lord Jesus help me focus on eternal things.

## Chorus

Nothing I desire compares to You, O Lord.  
Nothing I desire compares to You.  
Nothing I desire compares to Your love.  
Nothing I desire compares to You.

Lord Jesus, You're all I need  
Lord Jesus, Your holy and Righteous indeed.  
All will bow down to you, and all will declare  
Lord Jesus, You're Lord and none can compare

## Chorus

And there's nothing I desire compares to You, O Lord.  
Nothing I desire compares to You.  
Nothing I desire compares to Your love.  
Nothing I desire compares to You.  
Nothing I desire, Nothing I desire absolutely  
Nothing I desire compares to You
