

You Alone Are Worthy To Be Praise  
Words and Music By: Ed Newman

You were there before the earth had its beginning  
You were there before the Moon and Stars and Sun  
You created all the universe from nothing

Chorus

And You are holy, Jesus You are mighty  
You alone are Worthy, worthy to be praised

You put us on the earth for your good pleasure  
To live our lives to glorify your name  
When we die to self and make you will our treasure  
Our sin and shame is gone and love remains

Chorus

And You are holy, Jesus You are mighty  
You alone are Worthy, worthy to be praised

You came down to earth to live as an example  
Forsaking your entitlements and rights  
Submitting to you Fathers will in heaven  
As the spotless lamb Your death, our gift of life

And You are holy, Jesus You are mighty  
And You alone are Worthy, worthy to be praised

Bridge

And You are Worthy of praise  
You alone are worthy of praise  
You alone are worthy of all our praise  
Yes you are worthy of our praise //repeat bridge
