

This Poor Man Cried
Words and Music By: Ed Newman

Perplexed by a problem no solution in sight
Turned to the Word to set the whole thing right
Found I was mistaken it was I who was wrong
This poor man cried the Lord heard and gave me a song

Chorus

Amazing patience, truly amazing grace
Amazing sacrifice to die in my place
Amazing love amazing forgiveness
Amazing God, Amazing Lord... Jesus

After knowing His love, I once turned my back
Down the road to disgrace and not caring at that
I finally was broken, outcast and so forlorn
Then this poor man cried the Lord heard and gave me a song

Chorus

Amazing patience, truly amazing grace
Amazing sacrifice to die in my place
Amazing love amazing forgiveness
Amazing God, Amazing Lord... Jesus

Now I'll sing of His grace, and I'll sing of His love
I will sing of His mercy, praising God up above
Now if you ever get discouraged and find you've done wrong
Just remember, this poor man cried the Lord heard and gave me this song

Chorus

Amazing patience, truly amazing grace
Amazing sacrifice to die in my place
Amazing love amazing forgiveness
Amazing God, Amazing Lord... Jesus

Amazing love, Amazing forgiveness, Amazing Grace, Amazing Lord Jesus
