

Maranatha

Words and Music By: Ed Newman

It's the beginning of the end, of this late great planet earth
A time when all God's people will be judged for what they've done here on earth
For some there will be joy, for others there will be grief.
The decisions is up to you, so my friend what will it be.

Chorus

Maranatha the Lord is coming, Maranatha is our blessed hope, praise the Lord!
Maranatha the Lord is coming, So tell your friends prepare to meet the Lord.

You may ask me how I know, where do I get the facts.
It's written in the Bible, it tells the signs for when He's coming back
At the end will be world wars, also famines floods and disease
At a time people will be saying we've got to have safety and peace.

Chorus

The Bible warns of one world church that's a harlot in disguise.
And the antichrist will come along and pull the wool over a lot of people's eyes
For Jesus said when Israel becomes a nation once again
His chosen ones will meet Him in the air before that generation ends.

Chorus

There's much work to be done. The sands of time are running out
Just be sure you soul is saved and spread the words of Jesus Christ all about
For those who are left here, the future looking pretty dim
But for me my future's clear, when earth is through I'm gonna be in Heaven.

Chorus

So tell your friends prepare to meet the Lord, How about you my friend are you ready to meet the Lord?
