

Return to Jesus

Words and Music By: Ed Newman

Dmaj7 G
Hey all my brothers and friends
Dmaj7 G
Why do you keep on keeping on with you worldly whims?
Bm G A D F#
Don't you know I've been there before and I know what's in store
Bm G E7 A G D
And the simple truth is, without Him out just can't win, just can't win

Dmaj7 G
All your lives you living, you just don't seem to care
Dmaj7 G
You put Christ on a shelf and forget He's there.
Bm G A D F#
Why go on fooling yourselves, you're hurting yourselves
Bm G E7 A G D
For sin will bring punishment and the fruit of your sin you'll bear, you will bear

Chorus

Living a life after pleasure may seem cool for a while
Dmaj7 G
Even though your lust of the flesh may seem right in style
Bm G A D__ F#
There's a way that seems right unto man, but is death in the end
Bm G E7 A G D
So I'd urge you brethren, return to Christ once again, my friends
