

Come What May

Key - D Capo: 1

Words and Music By: Ed Newman

Teach Me Patience Lord
All trials to endure
Not one small step before
You've made known the way.

Help me submit to you
Guide me in all I do
I will depend on You
Come what may

Chorus
I need you, I need you

Teach Me Humbleness
Caring and selflessness
Help me to always bless
Those who come my way.

Your Ways are better than
My mind can comprehend
Help me remember them
Come what may

Chorus
I need you, I need you

Bridge
You always know my needs
So I will let you lead
When trials come I will not come undone
In Your strength I will succeed

Teach me Faithfulness
Unwavering willingness
To always give my best
For the cause of Christ

Forgive my selfish ways
Fill me with loving grace
Your glory be displayed
Come what may.

Your glory be displayed
Come what may.
