

# Christian Bar of Soap - 1 John 1:9

Words and Music By: Ed Newman

Key - G Capo: 4

## Chorus

If we confess our sins, he is faithful and just  
To forgive us our sins  
And cleanse us from unrighteousness.  
Confess your sins, and don't do it again.  
And Jesus blood will wash away your sin.

When I was a little boy my Momma said to me  
If your heart is trapped in sin there's one way to be free.  
The cure is found inside God's word and it works every time  
It's called the Christian bar of soap, in First John one verse nine

## Chorus

Remember every day to pray to Jesus up above  
Thank Him for the things He's done, and thank Him for His love  
Seek Christ first in all you do, and you will be just fine  
But when you've sinned, remember this, First John One verse Nine

## Chorus

If we confess our sins, he is faithful and just  
To forgive us our sins  
And cleanse us from unrighteousness.  
Confess your sins, and don't do it again.  
And Jesus blood will wash away your sin.

That's all there is to this sweet song it's simple but it true  
A verse From Mom when I'd done wrong to tell me what to do.  
I know one day when life is through I'll leave this world behind  
And face to face, Thank God and Mom for First John One verse nine.

## Chorus

Hiding things that you've done wrong cause guilt and misery  
Your heart turns black with sin inside, all dirty and diseased  
The cure is found inside God's word and it works every time  
It's called the Christian bar of soap, in First John one verse nine
