

D Am7 G D

Jesus you paid the price God's only Son sacrificed
Tempted and yet without sin, faithful, obedient to the end.
So undeserving were we, unfit, disgraced and guilty
Without you our lives were condemned, But with you our wrongs are forgiven.

Chorus

And I love You, Jesus I praise You.
So worthy are you , You who are faithful and True

Healing the sick and the blind, In a world filled with darkness you shined
A teacher, a healer a friend. Our Redeemer Whose love has no end
Righteous and Holy you came You took our sin and our shame.
Paid with your life for our pain, Worthy the Lamb that was slain

Chorus

And I love You, Jesus I praise You.
So worthy are you , You who are faithful and True

Bridge

You left Your home above showing us how to love
Selflessly, Holy and pure
So that we might be free, live life eternally
Praising our God and our Lord for evermore

Righteous and Holy you came You took our sin and our shame.
Your precious life for our pain, Worthy the Lamb that was slain

Worthy are You! So Worthy are You
Jesus Worthy are You You who are faithful and true

Chorus

And I love You, Jesus I praise You.
So worthy are you , You who are faithful and True

Jesus you paid the price God's perfect son sacrifice
