

## You Are There

Words and Music By: Ed Newman

When I walk through the rain You are there  
When I run in the sun You're there.  
When my will grows weak You are there  
And when my spirit soars Lord You are there.

### Chorus

Before all creation You were there  
When my last breath is taken you'll be there  
Yesterday and tomorrow  
In sickness or sorrow  
No matter what befalls me you are there  
You are there

When I'm tempted Lord You are there.  
When I've failed You so, Lord You're there  
When I call out Lord, You are there.  
And when I seek Your forgiveness Lord, Praise God You're there

### Chorus

Before all creation You were there  
When my last breath is taken you'll be there  
Yesterday and tomorrow  
In sickness or sorrow  
No matter what befalls me you are there  
You are there

So I worship You everyday  
And Sing my praise to You, Love honor and obey.

### Chorus

Before all creation You were there  
When my last breath is taken you'll be there  
Yesterday and tomorrow  
In sickness or sorrow  
No matter what befalls me you are there  
You are there

### Chorus

Before all creation You were there  
When my last breath is taken you'll be there  
Yesterday and tomorrow  
In sickness or sorrow  
No matter what befalls me you are there  
You are there

Yes You are there, You are there, and You are there.
