

## Rivers Bend

Words and Music By: Ed Newman

Sitting on the porch listening to the sounds of the river  
The Creatures lift their voice, in songs of joy and praise  
The bullfrogs croak the bass; The crickets chirp the sounds of the tenors  
Wind whispers through the pines, While birds sing through the day  
Here on Rivers Bend, And I just praise the Lord.

I've been thinking 'bout my wife and all the years we've shared together  
She's the love of my life, a blessing from the Lord  
She's loving day and night and unselfishly she gives to our children.  
Always teaching wrong from right, her loves made us secure  
Here on Rivers Bend, and I just praise the Lord.

And I just want to thank you Lord  
For all You've done for me.  
But mostly for the gift of life for all eternity.  
You sacrificed Your only Son God on the cross for me.  
And forgiven all my sins and made me whole and free!

Thinking 'bout my life and all the things God's done for my family  
Through hard times and in strife God's been by our side  
He's given now to me desires of my heart so richly  
And I know it's undeserved and I just wonder why.  
Here on Rivers Bend, and I just praise the Lord.
