

Jesus How Sweet It Is
Words and Music By: Ed Newman

Verse1

Jesus how sweet it is, to be living in Your love
Happiness is what You give to all of them who receive Your love
You died upon the cross to save us from all our sin
By believing on your name and being born once again.

Verse2

Before I knew you my life it seemed all barren and bare
But now that I have chosen you
Take a look and see the fruit that is there
Love, joy, peace and patience, gentleness, goodness and faith
Meekness and temperance have all taken their place.

Chorus

Jesus, How sweet it is
Jesus, How sweet it is
Jesus, How sweet it is
Jesus, happiness and Your love is what you give
