

Love Not the World

Words and Music By: Ed Newman

Love not the world, love not the things that are in the world
If you love the world, the love of God is not in you.
All that's in the world, the lust of the flesh, the eyes and pride of life
They are not from God, but from a world of sin and strife

Chorus

All that is in the world is passing away
All of its lusts and desires will vanish one day
But the one who does the will of God will stay

Love not the world, love not the things that are in the world
If you love the world, the love of God is not in you.
All that's in the world, the lust of the flesh, the eyes and pride of life
They are not from God, but from a world full of sin and strife

Bridge

Instead let us love one another, With genuine love that only comes from God
So the world can see Christ in me as I keep my sights set on things above.

Love not the world, love not the things that are in the world
If you love the world, the love of God is not in you.
