

Tested Praise The Lord  
Words and Music By: Ed Newman

It may be in the morning when I have to face a hectic day  
Or it may be in the evening, when things don't go quite my way  
It may be in the afternoon, when I have to go without my lunch.  
Or backing up in a parking lot and hearing a crunch.

Chorus

Oh Lord Please help me to pass these tests  
I want to be numbered among your very best  
Oh Jesus please help to set my mind at ease  
Cause Your grace is sufficient for all of my needs

Sometimes I am tested while shopping at the store  
My bill is totaled up and I find I'm short a dollar four  
The traffic is more stop than go all the way to my home  
And there's a truck parked in my driveway, they say their gonna disconnect my phone

Chorus

Oh Lord Please help me to pass these tests  
I want to be numbered among your very best  
Oh Jesus please help to set my mind at ease  
Cause Your grace is sufficient for all of my needs

Sometimes it just seems like my nerves get a little bad  
And I just think of you Jesus and it makes me feel glad  
We've all got to get little quizzes because it's all part of God's plan  
But I'm so glad on Easter weekend You took my final exam.

Chorus

Oh Lord Please help me to pass these tests  
I want to be numbered among your very best  
Oh Jesus please help to set my mind at ease  
Cause Your grace is sufficient for all of my needs
