

Let the Roses and Daisies - Debbie's Song  
Words and Music By: Ed Newman

G Cdim G\_B7  
My soul, wait thou only upon God,  
Em A C D  
For my expectation is from Him.  
G B7 Em G7  
He only is my rock, my salvation:  
C D G  
He's my defense and I shall not be moved

G C D G Em  
Let the roses and daisies remind us we should be  
Am D E  
Best friends as we live out our lives  
Am D G Em  
Let me be only loving, submitting and forgiving,  
Am D G  
As you love me, like Christ loved his bride.

G Cdim G\_B7  
My beloved we've waited so long,  
Em A C\_D  
For this time to come, when we are one  
G B7 Em G7  
It seemed like it would never, ever come to be,  
C D G\_G7  
But how wonderful that the time's finally come.

C D G Em  
And if times should get rough, remember when it was enough  
Am D E  
Just to hear each others' voice on the phone.  
Am D G Em  
With Christ we'll keep staying, sharing and praying  
Am D G  
Growing closer as a family from now on.

G C D G Em  
Let the roses and daisies remind us we should be  
Am D E  
Best friends as we live out our lives  
Am D G Em  
Let me be only loving, submitting and forgiving,  
Am D G  
As you love me, like Christ loved his bride.

Repeat

G Cdim G  
My soul, wait thou only upon God,
